BH Bulletin 2024-'25 Vol.1

Message from the Vice – Principal

My dear Parents,

It is with great pride I present the first newsletter, **BH Bulletin**, of the academic year 2024-'25. This edition highlights our students' activities, achievements and talents.

“Success is not how high you have climbed, but how you make a positive difference to the world.” – Roy T. Bennett

We encourage our students to 'make a difference' according to our school's motto. Co-curricular activities are also given equal importance along with academics since all round skills development is critical for students as emphasised in the recently held orientation program for parents. Therefore, I announce with pride that we belong to the 0.1% ICSE merit club as our 10th grade students excelled have in last year's board examinations conducted by the CISCE board. Similarly, our students have excelled in the CISCE Sports and Games Competitions and won laurels for the school in the Regional and National levels.

I heartily congratulate our faculty members as well as our students on this wonderful all-round performance.

My sincere gratitude to the Editorial Team on bringing out this edition of “**BH Bulletin**”. Please do view the newsletter in full to get an insight into the school's activities till the end of October 2024.

Thanks & regards,

Ms. Keerthi Sachin
